ABOUT US

Founded in 1940 by the late Haji Abu Backer bin Mohd Hussain, Kumpulan Barkath was initially a sundry shop in Union Street, Penang. Known only as Barkath Stores back then, the sundry shop served people from near and far that visited the Island. Using his excellent business and communication skills, Haji Abu Backer captured the hearts of traders, Malaysians and British nationals. He then started selling the Hacks candies that we now know and love and managed to obtain the license to produce it locally.

The sons of the late founder have taken the helm of the company and has continued the legacy. The Chairman of the company is **Dato Seri Haji Barkath Ali** while the CEO of the company is **Dato Haji Anwar Kabir**. Both of them have worked hand in hand over the years to continue expanding Kumpulan Barkath's product portfolio and market presence. Among the achievements is the opening of a new plant in Bukit Minyak in Penang and diversifying their product categories.

The family business is also run by the third generation of the family in various departments. This structure allows all aspects of the business to be moving towards the mission and vision of the company, to be one of the leading manufacturers in Malaysia.
